Identity Theft Protection

Studies show that every two seconds an identity is stolen and that two out of every three data breach victims became an identity fraud victim in the same year.

Shoppers have access to PrivacyArmor Plus, the industry leader in identity protection services that alerts you at the first sign of fraud. Get alerts for credit inquiries, financial transactions, new accounts, and more. If fraud occurs, their Privacy Advocates fully manage and restore your identity and offer a \$1 million insurance policy to cover any out-of-pocket costs associated with restoring your identity. Enrolling your family extends that protection to anyone in your household.

Coverage includes: dark web monitoring, social media monitoring, IP address monitoring, lost wallet protection, solicitation reduction, data breach notifications, credit monitoring alerts and more!
